CONSTITUTION & BY-LAWS: At the Annual Meeting on November 10, 2019, we will vote on some amendments to our Constitution and By-Laws. Major changes include

- Removing the list and descriptions of committees and task groups including term limits that we find impossible to follow. Committees will now be controlled by Council so adjustments can be made as needed (See Section 4.1 of the By-laws).
- Adjusted the terms for Elders to coordinate with having 4 Elders rather than 6, a change we made three years ago (See Section 4.2)
- Added the word *active* before *member* in several locations to emphasize that quorums will be determined based on active membership.
- Replaced general mailing with communication to reflect our current use of electronic as well as paper communications (See Constitution Section 7.2, By-laws Section 5.3 and 5.4).

Copies of the current [white paper] and proposed [pink] By-Laws are available on the information table. They are not printed in the Advanced Reports booklet.
