Text: Deuteronomy 34:1-12

Working for a Future Unseen

Through God's guidance and activity, Moses led the people of Israel out of slavery into a Journey with the God who freed them. It was a journey through the wilderness of life with great wandering and learning reliance. When they finally arrived at that promised land, Moses was only allowed to see it, not to enter it. We are always creating a community that we will pass on to future generations, trusting that God will guide them as God has guided us.

Re-Opening
Task
Group

“Surely the days are coming” says the Re-Opening Committee that “the people of Myerstown United Church of Christ will enter into the sanctuary of the building once more to worship the God of Creation, Salvation, and Strength. And those days are coming soon!”

The Committee will present a report to a special meeting of the Church Council this week. The action items will include a recommendation about when “in person” worship will begin “inside” as well as procedures that will insure the safety of those who attend.

Look for a sneak preview during the live stream on Sunday and for a more detailed update in the Grape Vine next week.

UPDATE!

THE BIBLE IN A YEAR

Through discussion with those participating in the Bible Study associated with the Bible in a Year reading, we have decided to move to one virtual meeting time on Wednesday evenings a 6:30 pm. The link for the session is found here in The Grape Vine or on the Church Website. Our discussion lasts about an hour, and we love to have you join us!!

The change in the time for Bible Study has created a need for change in the Pastor's hours. They are now Tuesday, Wednesday, and Thursday mornings and Tuesday and Wednesday evenings.

It is with sadness that we inform you of the death of Ralph Woynarowski this week. He was the wife of Carol Woynarowski and the son-in-law of Sara Zeller.

With additional sadness, we inform you of the death of Ruth Shaak. She was the mother of Joseph Shaak, Jr.

Annual Meeting
