## Worship This Week

**Text Matthew 18:15-20**

**“ Rules of the Road ”**

Typically (although this is a word that will **NEVER** apply to 2020) this is the weekend of the last Hurrah of Summer, and often involves a road trip. Traffic laws are quite precise and intended to keep us, and others, safe. The words of Jesus in this passage give us Rules that keep us safe, keep others safe, and ensure that together we are a safe community.
